Mahatma Gandhi Dec 29 2019 GANDHI: FACTS AND LITTLE KNOWN STORIES ABOUT THE INDIAN THAT SHOOK THE WORLD Mohandas Karamchand Gandhi was not born with the physical qualities of a leader. A weak, shy and introverted child like him with the fear of both God and man would be expected to be soon absorbed into the collective consciousness and belief systems shared by the - almost half a billion - Indians of his time: not trying to make a change, but trying to make a living. What happened to Mohandas? Where did that fearful child find the courage to think differently, and most importantly, to act differently? In his book, *Mahatma Gandhi Facts and Surprising Unknown Stories*, Barry Powell, using storytelling, sheds light on Mohandas Gandhi's personality as well as the emotional adventures that contributed to the shaping of his unique leadership style. Everything you Ever Wanted to Know About Gandhi is in this Book! *Mahatma Gandhi Facts and Surprising Unknown Stories* is a compilation of the most interesting stories and facts from Gandhi's

biographical timeline, which sheds light on the human side of this almost supernatural leader and gives us answers to hundreds of hot questions. Amongst them: - What are the two sins that Gandhi committed when he was a teenager? -Why did Gandhi try to commit suicide? -What happened the night of his father's death, which haunted him and filled him with guilt throughout his lifetime? -Was Gandhi a vegetarian by choice or by religion? -What happened that completely destroyed his career as a lawyer before it even started? -How did he find himself in Africa shortly after? -What happened in Africa that shaped his destiny to become a freedom fighter? -What were Gandhi's true feelings for his wife Kasturba? -Who was the fascinating woman that bewitched Gandhi while he was married to Kasturba? -What happened shortly after he founded his Ashram, which almost led them to bankruptcy? -What was Gandhi's main argument against the use of machines? -Which important personality gave the title of Mahatma (Great Soul) to Gandhi? -When and why did Gandhi deny his Western clothes and started appearing in his white Indian loincloth? -What astonishing thing did he say about the Bible? -If he admired Jesus, why didn't he become a Christian? -What were his feelings about all living beings of creation? -What did Gandhi say the moment that Kasturba died in prison? -Why didn't Gandhi celebrate on India's Independence Day? -What exactly happened on the day of his assassination? -Who was the man that killed Gandhi? -Much much more! An inspiring and touching book about everything you ever wanted to ask about Gandhi! 1 2 sampletm

The Flute Book Nov 07 2020 Teachers and flutists at all levels have praised Nancy Toff's *The Flute Book*, a unique one-stop guide to the flute and its music. Organized into four main parts--The Instrument, Performance, The Music, and Repertoire Catalog--the book begins with a description of the instrument and its making, offers information on choosing and caring for a flute, sketches a history of the flute, and discusses differences between members of the flute family. In the Performance section, readers learn about breathing, tone, vibrato, articulation, technique, style, performing, and recording. In the extensive analysis of flute literature that follows, Toff places individual pieces in historical context. The book ends with a comprehensive catalog of solo and chamber repertoire, and includes appendices with fingering charts as well as lists of current flute manufacturers, repair shops, sources for flute music and books, and flute clubs and related

organizations worldwide. In this Third Edition, Toff has updated the book to reflect technology's advancements--like new digital recording technology and recordings' more prevalent online availability--over the last decade. She has also accounted for new scholarship on baroque literature; recent developments such as the contrabass flute, quarter-tone flute, and various manufacturing refinements and experiments; consumers' purchase prices for flutes; and a thoroughly updated repertoire catalog and appendices.
